JLC IS RECOGNIZED AS “BEST CONSULTANT” IN 2019 BY BEST OF LAKE DALLAS

LAKE DALLAS November 2020 – JLC Consulting (JLC), a small woman-owned business consultancy headquartered in Lake Dallas, TX, has been selected for the 2019 “Best of Lake Dallas Award” in Consulting Services. As a proud part of the Lake Cities community, JLC is honored to have been recognized for its accomplishments.

“When we work with clients, we become an extension of them. We are only successful if they are,” said Jessica Clark, Principal Consultant. “The fact that we were chosen for this honor is humbling, and we are grateful to be recognized for our efforts. JLC continues to add new clients to our roster year after year, and the bespoke business and proposal services we offer are tailored to fit our client’s budgets, ease their burdens, and exceed their goals.

JLC Consulting offers startups and small businesses a diverse range of offerings for clients in the information technology, security, and related sectors who wish to do business with Federal, DoD, and SLED customers. We have won hundreds of millions in revenue for our clients and established processes and programs to help them support their rapid growth.
